Durability

The hulls of Oru Kayaks are made from a custom polypropylene with a 10 year UV treatment and has been rated for 20,000 folds. We suggest you treat your Oru Kayak like a fiberglass boat. All Oru Kayaks come with a 36 month warranty.

Portability

Stash it in a trunk. Check it on a plane. Store it behind your couch. Hike it into remote waters. No garage, SUV, or roof racks necessary. Oru Kayaks make kayaking simple, easy, and accessible — so you can spend more time on the water.

Performance

All of our kayaks are lightweight and have great handling. Each model is a little different, and has been tested extensively in their respective environments — lakes, rivers, bays, and oceans.
